## CYMBALS

HANDMADE QUALITY TRADITION

### R-SERIES "ROCK"

R-series cymbals are designed for a wide range of popular music styles. Completely hand hammering preserving the ancient tradition in handmade cymbals. Made from pure B20 cast bronze (80% copper, 20% tin.) All of our cymbals are hand picked for sound quality and workmanship to satisfy the highest demands. Every KASZA cymbal is a unique instrument and a true piece of art. No two are alike.
