

## **FULL STEAM AHEAD**

Coming off the great success of the “Black on Brass” Snare Drums, Ahead has taken on a new challenge with the release of three new snare drum models.

**Steam Bent Maple** single ply snare drum. Also a high gloss custom finish with all the great components and features of the Brass model. Includes S-hoop Drum Hoops, Tight Screw Tension Rods, Fat Cat Snappy Snares and the Dunnett R Class throw off’s.

**AS614M – Retails \$899.00**

**Chrome Over Brass** – New chrome finish version of the “Black on Brass” with new lightweight tube lug design with all the great components and features of the Ahead models. Includes S-hoop Drum Hoops, Tight Screw Tension Rods, Fat Cat Snappy Snares and the Dunnett R Class throw off’s.

**AS614C – Retails \$419.99**

**Wenge Vert** – New and exotic hard wood thin shelled vertical stave, from the forests of West Africa. This new harder than maple snare drum is a unique and interesting combination. Includes S-hoop Drum Hoops, Tight Screw Tension Rods, Fat Cat Snappy Snares and the Dunnett R Class throw off’s.

**AS614W - Retails \$899.00**
