

# NEW FOR 2011

from **BIG BANG DISTRIBUTION**

## AHEAD Armor Cases

Featuring an innovative shape along with additional breakthroughs in drum case design and construction, AHEAD Armor Cases set a new standard for strength and security— offering today’s most advanced system for safeguarding drums and percussion.

- Revolution’s patented “TruForm” teardrop design allows a better drum fit.
- Patented “DynaZip” system combines a cutaway design and zipper for easier drum access.
- AHEAD’s “DX-Core” features two layers of foam padding and Sherpa Fleece lining to increase shock absorption and drum protection
- Virtually indestructible, polyester fabric exterior.

## AHEAD Drumsticks

With a full selection of popular drumset, marching and concert models including our new **Metal Fusion 2B**, **Monsta ROCK** and **Fatbeat 5A**, today’s most advanced, consistent, durable and efficient drumsticks are also the easiest and most profitable to sell.

- Higher value and MAP pricing provide the best Return-On-Investment and Gross Profit of any drumstick on the market.
- Endorsed by drumming legends and chosen by today’s top rock, pop, Latin, Gospel/R&B and country drummers.

## “Fully Loaded” Craviotto Snare Drum

Big Bang’s exclusive “Fully Loaded” Craviotto snare drum features the legendary drum builder’s solid maple shell plus a host of high-end upgrades, including:

- **Tight Screw** tension rods
- **S-Hoop** counterhoops
- **Fat Cat** snare wires
- **Dunnett R-Class** throw-off

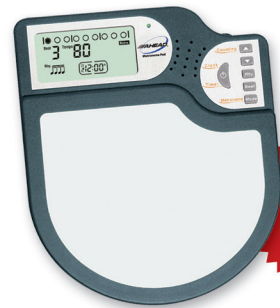

## Digital DrumDial

Now every drummer can tune like a pro! The new Digital DrumDial makes drum tuning easier, more accurate and more consistent than ever.

- Measures head tension not rod tightness
- Perfect for loud and quiet situations
- Backed by 25 years of experience
- Made in USA

## AHEAD Metronome Pad

The AHEAD Metronome Pad (AMP) combines the benefits of conventional practice pads and metronomes with the advantages of on-board electronics.

- Easy to read LCD display
- Drum meter-style counter
- Natural Gum Rubber pad
- Functions: Tempo, Meter, Rhythm, Timer
