

Name Has Changed, But The Sticks Are The Same

Ahead Drumsticks is announcing the Joey Jordison Slipknot signature model will no longer be available after 5/18/2009. It will now be part # JJ1 – Speed Metal (MT). The stick will stay exactly the same and will continue to have all the same special features but will not be a signature model. In addition, all of our models will now include its weight in grams, printed on the handle. The sticks will be available May 19, 2009.
